

Welcome to Iuka Feeds!

Who We Are

Welcome to Iuka Feeds, a trusted name in agricultural feed manufacturing located in the heart of Pratt, KS. At Iuka Feeds, we pride ourselves on our deep-rooted commitment to serving the farming community with high-quality, nutritious animal feed. With years of expertise in the industry, we understand the unique needs of our customers and their livestock. Our dedicated team works tirelessly to ensure that every product we offer meets the highest standards of quality and safety.

What We Do

At Iuka Feeds, our mission is to enhance the productivity and health of your animals through expertly crafted feed solutions. We specialize in manufacturing animal feed tailored to your specific requirements, ensuring optimal nutrition and performance. Whether you need standard feed or have unique needs for custom rations, our state-of-the-art facilities and knowledgeable staff are equipped to deliver precisely what you need. We work closely with our customers to understand their goals and challenges, providing feed solutions that support the growth and well-being of their livestock and poultry.

Our Products

We offer a diverse range of products to cater to various livestock and poultry needs, from stock rations to fully customized feed blends. Our stock feed includes balanced and nutrient-rich options for different species, ensuring that your animals receive the essential nutrients they need to thrive. For those with specific nutritional requirements or preferences, our custom rations are designed to meet exact specifications, providing a tailored approach to animal nutrition. Trust Iuka Feeds to supply you with the high-quality feed that supports the health and productivity of your livestock and poultry, helping you achieve your goals
